# A Message from Administration

# Mr. Douglas Kelley, Dean of Athletics and Student Activities

Dear Seniors:

As your Senior year comes to close, it has come to my attention that we walked through the Dighton-Rehoboth doors at the same time. It was my first year as Dean of Activities and Athletics of Dighton-Rehoboth High School, and it was your first day of high school as a freshman. You are a class that I am very proud of.

Hopefully you found your journey here to be helpful in preparing you for what is to come as you depart for college, the military, or the workforce. Your time here at DR has been well spent. You have engaged in a strong academic offering, wonderful sport programs, as well as an Arts program second to none.

Each day I made sure that you were always greeted with

a smile, a good morning, or a good afternoon. YOU were somebody here at DRRHS, and you have left your mark. Our Core Values were always the backbone to our school pledge every day. As you were dropped off at school each day, I put those very flags up on the poles so you could see them and have to walk by them - \*Respect, Responsibility, Independence, Integrity, and Excellence\*. These are the tools of life.

You have enjoyed many great nights under the lights at a Friday night football game, Art Shows, Winter and Spring concerts, Mr. DR, Spirit Week, NHS Induction, Awards Night, Drama productions, and so much more. Remember that this will always be the place you will call home. The faces and the building will always remain vivid in your minds. You will never forget the simple things like what our school mascot was, and most likely who was in the costume.

As you move on, be kind and fair in this new turbulent world we now live in. Give others a change to explain their perspective on serious matters that you will endure as your life moves forward. The Class of 2018 will face many decisions that will affect our daily and personal lives. Create career and family goals, and push yourself to achieve them. You are prepared to move on now.

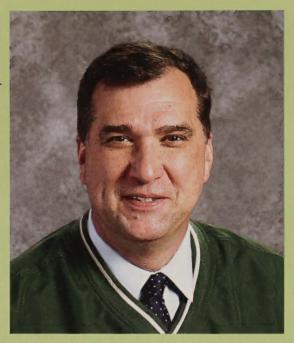

You are an intelligent and respectful class. I wish you all the very best that life has to offer. It has been an honor and a privilege to have served as your Dean of Student Activities and Athletics, Class of 2018 – You are the DR Difference!

Sincerely, Mr. Kelley

# Dr. John Gould, Principal

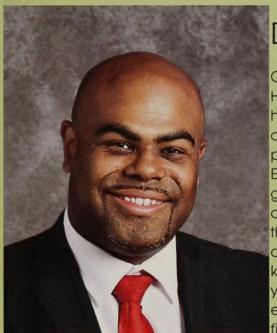

Dear Class of 2018.

Congratulations! As you move beyond graduation, you will appreciate your precious high school years. You have accomplished so much and will continue to do so with the skills you have gained at Dighton-Rehoboth Regional High School. As you embark upon your chosen path, please remember that you are all bound together by the shared experience of DRRHS. I encourage you to maintain those bonds with one another and realize these friendships will stay with you.

You come from two special communities that support this distinguished school. Whether you enter the trades, the workforce, or enroll at a university, please remember you will always be a part of DRRHS. Your parents and your teachers are proud of you. Best wishes!

> Sincerely, John Gould, Ed. D. Principal

# Dr. Bruce Tench, Assistant Principal

Congratulations to the Class of 2018!

How does one put forth in words how exceedingly proud I am to have worked with you over the last two years. It has been an absolute honor and a privilege to work with you as your assistant principal. I am deeply moved to call you my first graduating class. Each and every one of you is wired for greatness; we are all wired for greatness. What our greatness is, is something that we must find, develop, and grow. Ralph Waldo Emerson once wrote, "it is easy in the world to live after the world's opinion; it is easy in solitude to live after our own; but the great man is he who in the midst of the crowd keeps with perfect sweetness the independence of solitude." Thus, as you leave Dighton Rehoboth and go off into the world, I challenge each and every one of you to find what your greatness is. Once you find your greatness remember to be kind to others, help others, be

humble and remember the core values of our school: integrity, excellence, respect, responsibility, and independence. These are not just our school's core values, but lifelong values that are keys to success in the opportunistic future. These years have been filled with many memorable moments. I hope that when you look back at your time spent here at Dighton Rehoboth, you remember those memorable moments you have shared with your friends and smile. Your class has demonstrated so much passion and energy that is contagious. From spirit week to helping your community, you definitely showed your school spirit. From the court to the field to the stage, you have showed your commitment, hardwork, passion and dedication. From the classroom to the world, you are prepared for greatness. You are great! I wish you the very best in all your endeavors. Continue to make me, your family, and your community proud.
